Cllr White confirmed that the marble bench at Leverton Pumping Station was scheduled to be moved this week.

**25/85 Provision of additional interactive speed signs**

The clerk confirmed that she had contacted Lincolnshire County Council to obtain consent to site the chosen displays on existing lamp posts and would hopefully be contacting the engineer the next day. Cllr Woodward suggested one could be placed on the existing flashing '30' which was located next to the plough sign but the clerk was unsure if that sign was power fed or battery operated. Cllr Woodward suggested the '30' sign would be better placed before the sharp bends when entering the village from the south side of the village. Cllr White asked if the speed camera indicator sign near the Travellers

Rest café could be checked to see why it didn't work. Members of the council agreed to discuss the site for the 2nd unit once consent had been received from Lincolnshire CC.
